- determination of the creditworthiness of the client (co-borrower) is determined taking into account the requirements of the debt burden and credit history;
- when determining the client's solvency, it is necessary to establish a loan repayment schedule in the form of annuity/differential, with a repayment date between the 4th and 20th of the month;
- withdrawal of overdue funds is carried out without acceptance from the credit card of the borrower (co-borrowers) opened in commercial banks;
- It is allowed to apply the terms of the commercial mortgage loan "Tijorat" when the loan amount exceeds the limits established for the mortgage loan "Oson"
- This loan is issued to those clients who are using the mortgage loan program for the first time (applies to loans allocated under the 2024 program)
- the insurance payment to the client is reimbursed by the bank;
- This passport also applies to subsidized ( PKM-182, PKM-749 ) mortgage loans
- Clients from the self-employed segment, who do not have an official income and do not have a co-borrower, are not allowed to refinance previously issued mortgage loans.
